OUR COMMITMENT

All our recipes are freshly made daily in our coffee shops. We are proud to work with the best suppliers in our field such as **Coutume** as coffee roaster based in Paris, and **Lov Organic** for our tea selection.

All dairy products used in our coffee shops are provided by **Beillevaire**, and we favor collaborations with artisans and french producers for the rest of our ingredients.

WHO IS MARLETTE ?

Marlette was born on the **Île de Ré**. The authenticity, the warm moments, the gathering in a holiday home atmosphere... All elements inspiring **Margot & Scarlett** in the creation of Marlette's **coffee shop** brand. The best local and organic products are gathered in Marlette baking mix selection and coffee shop menu. **Come in and enjoy!**
